Why did you decide to help Lazarus House?

I decided to donate to Lazarus House because I
have gone to serve dinner there a few times through
our church and loved it. This gave me a chance
to meet the people I was helping and I feel
a connection to them.

How did you do it?

For two years now, I have asked my friends
and family for donations to Lazarus House in
lieu of birthday gifts. This year was a big
success and I hope to carry on this tradition.
